

North Stars Gymnastics

North Stars Gymnastics has been known for their National Team. But, this past weekend, their JOGA team had an outstanding performance and gymnasts made their season high scores.

Although, it was only an in-house meet, tensions were still high. Girls

were trying to acquire scores that would qualify them for the State Competition. Even though, some girls stumbled, with an enthusiastic team, they were able to pull through and meet their goals.

Elizabeth Caserta, one of the team's major contributors for Level One, struggled with her straddle back on Bars, but was able to finish the

routine with a stick. Caserta earned a personal best, of an 8.85, and qualified for the State Competition.

Kristina Langan, another Level One competitor, did very well, especially just coming back from a vacation. With extreme dedication and hard work, Langan was able to attain a 9.5 on vault. The Level two team, once again, did an amazing job. Senior, Allisya Ramos, has had terrible back problems, but with an astounding score of 8.8, she was able to qualify for the State Competition. One of Level 2's top scorers is Marlo Wehrer; she puts effort into every exercise, which qualified her not only to the State Competition but also for Level One. Jennifer

Newman, a Level Two Competitor, received a 9.3 on vault, which qualified her for the State

Competition. Newman is always consistent with her routines. Carlotta Carrol, the youngest Level Two competitor, received her first State Competition scores. This meet was one of Carrol's best; she hit all of her routines. Sara LoBue, a sophomore, received a personal high on Bars with an 8.5. LoBue struggled on beam but was able to stick it out with an All Around of 33.6, which also qualified her for the State Competition. North Stars JOGA did a fantastic job! Another honorable mention is Carolina Oliveros, she a very clean gymnast and always hits her routines! GOOD JOB NORTH STARS!
